

# ADS+SCHOLARSHIP INFORMATION

APRIL 15-18, 2010

## ADS & SCHOLARSHIP INFORMATION

- \* This year we are asking clubs to sell at least \$100 in ads to go in the convention program. Selling these ads helps benefit you as well, any extra money left over after paying for the program goes towards college scholarships. These scholarships will be awarded to the 2010 Key Club seniors; applications will be available February 1<sup>st</sup>, 2010. The best part is that the more ads you sell the more money that will be put toward scholarships for you! Only members from clubs that sell at least \$100 in ads will be eligible for these scholarships. So, if you want a chance at a scholarship make sure your club sells those ads! The advertising contract and information can be found on the convention website.
